New Evangelicals Ed Young and his son seeker sensitive pastor Ed Young Jr. (who are part of the Southern Baptist Convention) shared the stage with word of faith heretic Bishop T.D. Jakes and other false teachers at a conference that is called C3, hosted by Ed Young Jr. annually at his church (Fellowship Church) in Grapevine, Texas.

The purpose of this particular conference hosted by Young is for the equipping of leaders to reach the lost and succeed in ministry.

T.D. Jakes, who is also a modalist, (one who denies the Biblical doctrine of the Trinity) (1 John 5:7). Yes, Jakes is a Oneness Pentecostal (a heretical cult that teaches works salvation) and he was ordained a Bishop through that non-Christian cult which believes and teaches that salvation is gained by being baptized (immersed) in the name of Jesus ONLY and speaking in tongues. They also deny the doctrine of the Trinity (1 John 5:7; Matthew 28:19; 2 Corinthians 13:14), etc. If there are those who believe that I am slandering Jakes, you can check out what he believes about God on his church's (The Potter's House) statement of belief.

Today’s evangelicals are getting worse and worse with their compromise of the Word of God by being yoked together with heretics (2 Corinthians 6:14-18) such as T.D. Jakes and many others. That is why I am warning Christians to mark and avoid (Romans 16:17) Ed Young Sr. and his son Ed Young Jr.
