Uncle Sam Honors Cynthia Parker's Son

By R. C. Crane

The story of Cynthia Ann Parker has excited wonderful imagination in the minds of Texas, and has done much to stir the emotions of the nation. The story of her life is one of struggle and peril, of love and of death.

Cynthia Ann Parker's grave is on the banks of the Red River, near Fort Worth, where she was buried in 1840. The grave is marked by a monument, erected by the Government, which commemorates her memory. The monument is a large marble tablet, and is framed in a handsome bronze case. The face of the tablet is engraved with the name of Cynthia Ann Parker and the date of her death.

Cynthia Ann Parker was a captive of the Comanches, and was rescued by the United States Government from their hands in 1840. She lived in peace and tranquility in Texas, and was loved by all who knew her. She died of disease, and was buried in the grave which now bears her name.

A picture of Cynthia Ann Parker was taken in 1840, and is reproduced herewith.

One of the most interesting stories of Cynthia Ann Parker's life is the fact that she had a son, Quanah Parker, who was a famous chief of the Comanches. Quanah Parker was born in 1840, and was the son of Cynthia Ann Parker and Chief Quanah. Quanah Parker was a brave and noble chief, and was a leader of the Comanches in their struggle against the white man. He was a great friend of the United States, and died in 1847, after leading his people in a great battle against the Texans.

Quanah Parker's monument at Fort Worth is a large marble column, and is surrounded by a beautiful garden. The garden is planted with flowers and shrubs, and is a lovely spot.

The story of Cynthia Ann Parker is one of great interest and romance. She was a captive of the Comanches, and was rescued by the United States Government from their hands in 1840. She lived in peace and tranquility in Texas, and was loved by all who knew her. She died of disease, and was buried in the grave which now bears her name.
