

. . . Be Still and Know that I am God

Peace in the stillness of the sunrise provides meditations before a busy day.

Student-led, church related, and Christ-centered religious organizations at Ridgecrest enable staffers to live a maximum Christian life during the summer months. The opportunities for staffers serving here are limitless. The door to spiritual growth and understanding is resting at the feet of those who serve. Offered to the staffers are warm fellowship, spiritual guidance, and wholesome recreation. Through these activities, maturity could be developed at all levels: spiritual, social, and emotional.

The worship services here offer spiritual growth and understanding to the staffers.
